Beach Information:

As a member homeowner in good standing within KMMA, we have the privilege of being part of Keatington Beach Association (KBA) which provides beach access to Lake Voorheis. Lake Voorheis is a 250 acre, private, all sports lake located just a mile up the road. Members with their association dues up to date, and in good standing, are provided with beach tags each spring granting access to the beach for summertime fun. The beach also provides a boat launch. Boats belonging to KBA must have tags and are available for purchase at the beach. The beach and boat tags are good for the current season only. The private beach is a wonderful asset to enjoy all summer long.

For access to the beach, head north on Joslyn Rd past Waldon Rd to Joslyn Ct. Joslyn Ct. is located on the left hand side just before the Orion Township offices. Take this road, which goes behind Canterbury Village, and you will find a driveway on the left side with a sign for the private beach.
